Charles H. Perkins	1923-24
George E. Stevens	1925-

*Deceased.

ORGANIZATION OF THE CITY GOVERNMENT

Tuesday, March 24, 1925.

At ten o'clock in the forenoon of the above date, members-elect of the city council for the municipal year of 1925 and the members from the previous council met for organization at the city council room agreeably to the provisions of the city charter.

The oath of office was administered to the Mayor-elect, Hon. George E. Stevens by retiring Mayor, Hon. Charles H. Perkins who also administered the oath of office to the following councilmen-elect, viz:

Ward 1—Charles J. Hayford
Ward 2—Cleophas L. Fecteau
Ward 3—Charles J. Pitman
Ward 4—Theo S. Jewett
Ward 5—Eugene S. Smith
Ward 6—Earle D. Seaverns

Prayer was then offered by the Rev. Rodney W. Roundy, after which the Mayor delivered his inaugural address.

INAUGURAL ADDRESS
OF
HON. GEORGE E. STEVENS

March 24, 1925.

Gentlemen of the Council:

Another year has passed and several new faces appear in the Council seats, to whom I heartily extend a welcome. And I predict we shall weld ourselves into one united, vigilant body to meet the work before us.

As a native of Laconia, I have lived to see it grow from a village of 1,500 to a city of 15,000 inhabitants. From a valuation of \$4,754,000 in 1894 it has increased to a valuation of \$15,000,000 in 1924.

In my opinion we have finely organized departments, covering the city's needs. There are times, however, when these are open to adverse criticism. No city, even to the smallest hamlet, escapes criticism. As a citizen, knowing the advancement each department has made, I am proud of them, and of the fine type of men connected with each. All members of the different departments are interested in keeping abreast of the times. They want things to do with, and of the best, which I think is commendable, and they fully appreciate the city's liberality in furnishing them.

The snow-plow, recently purchased, as far as I know, has already justified the claims for it. The automobile taxes, amounting to over \$23,000 would

very nearly cover the purchase of three plows. In view of the fact, automobile owners are entitled to consideration in getting about in the winter. The fact that it will keep the streets open so that the fire apparatus can cover the city in the winter months with a certainty never before felt, it is worth all it cost.

In the opinion of the City Engineer, a suitable place should be provided to house all the city's motor trucks, and a man employed to keep them in running order, and I recommend that this be done as soon as a suitable place can be found.

I would recommend the careful reading of the City Engineer's report of recommendations, as they cover important work to be done. I would especially recommend building of Messer Street continuing it from the part already built, to the bridge. Messer street is used a great deal, and it is only fair to J. H. Booth & Son in recognition of their enterprise in building as they have, to improve the street named, that they may get new cars into their sales-room, for display, without having them covered with mud.

I would advise the careful reading of the report of Alfred H. Fletcher, sanitary engineer, on The Weirs sewerage problem. I believe there is a bill in the Legislature now, asking for an appropriation from the state to help build a suitable system to take care of the unsanitary condition there. I would say, in a few words, that the sewerage can be collected, delivered into septic tanks at Endicott Park, which we now own, and then through a pipe, delivered into the Weirs channel, with 50 per cent of the poison removed. Then the water front would be clean for bathing, and save hiring Pemberton beach at \$250 a year and doing away with the

annoying situation to the residents near Pemberton beach.

FIRE DEPARTMENT

The Fire Department, under Chief Spring, has greatly increased its efficiency by the installation of additions to the fire alarm system, at a cost of \$3,000 so that the whole city is now covered by four circuits instead of two. By referring to the chief's report you can see fully what the value is, in locating a fire quickly. I would not advise buying a ladder truck this year, as the chief is considering other plans, which will save money and fill our needs for some time to come.

The fire alarm boxes for The Weirs have arrived as has also the wire. Chief Spring has a plan to take care of the station there, which seems all right for the time being. If they develop a water pressure at The Weirs for proper hydrant service, the problem is easily solved by furnishing another hose carriage with hose for one thing.

The Council of 1924 received a petition from the firemen for an increase in pay of \$25.00 a year. As there was no money available to pay this, the Council voted to recommend the raise be made by the next Council, and I recommend it be granted, to date from August 1, 1924, to engineers and firemen. I think I voice the sentiment of the people of Laconia when I say that the chief and his department stand high in their estimation for their quick response to calls, and their efficient work in control of fires. To fully appreciate what our firemen have done, please read the fire department report.

POLICE DEPARTMENT

That we have a good Police Department is evident by our freedom from lawlessness as shown by the report of the City Marshal. I am unable at this time, to state what the recommendations of the police commissioners will be.

We should give this department all the support possible that it may guard our city from any form of banditry or law breakers of the vicious type. It requires men naturally adapted for the work. Our Police Commission have furnished us many such men. I deem it only humane to give them one day off in eight. Is there a person here who would like to be confined to his work seven days in a week? Let us look carefully into our appropriations when we make them, and I predict we can safely cut things where it will never be felt; to fix their signal system as they want it, and furnish them with a suitable automobile. I believe we should do this, and commence to give them what they deserve, if you want to keep the right men on the force.

PARKS AND PLAYGROUNDS

Opechee Park is getting to be a real playground and for further information please read the report of the Park Commissioners, who have devoted much time and hard work to get things in their present shape.

The Pearl Street grounds have been visited by thousands this winter, enjoying the skating rink and toboggan slide. I would advise buying a strip of land wide enough for the toboggan slide. Then we would have a real winter sport resort and fine summer sport grounds. There is not money enough

at present to do anything toward an adequate grandstand, but a toilet is urgently needed and I hope one can be provided soon. The small playground on South Main street is used extensively by the children living near by. They appreciate it and I trust the city will be able to install some playthings in the near future.

Leavitt Park should also receive its share of attention from the city. The playground of ward six, together with the other three, is equalled by no other city of the size of Laconia in the state.

In all the years I have served on the Council, there has always been the same scrupulous care used in making appropriations. The petitions sent to the Council contain the names of taxpayers, asking for prompt action on the same. They use their best judgment; the natural growth of the city demands these petitions be granted without delay. The only reason they are not is that the appropriations are not large enough to allow prompt action.

I believe I hear more about not doing, than about the expense of doing.

There are streets having a property assessed valuation of from \$50,000 up that have nothing but mud sidewalks and streets at this time of year. Some of the property owners have paid hundreds of thousands of dollars in the employment of people, besides taxes. I speak of this to show that not nearly enough money is raised to keep up with the natural growth of the city.

We have a Council composed of men in many walks of business, and I believe their combined judgment will be of the best in raising and spending money.

MUNICIPAL REGULATIONS

FOR PAYMENT OF BILLS AGAINST THE CITY

All bills against the city must be approved by the persons authorizing the charge; and unless this is done, no action can be had upon the bill by the committee on accounts and claims, and no order will be given for its payment.

When bills are certified to as above, and left with the City Clerk not later than Thursday at 12 o'clock M., preceding the last Monday of each month, they will be audited by the committee on accounts and claims, and if approved by them and allowed by the Council, will be ready for payment on the following Wednesday, at the office of the City Treasurer.

Meetings of the committee on accounts and claims are held on Friday preceding the last Monday of each month at 7:30 p. m., at the City Clerk's office.

CITY GOVERNMENT

LACONIA, N. H.

Inaugurated fourth Tuesday of March, yearly.
Stated meetings: The last Monday of each month at
7:30 o'clock p. m., at city council room, Masonic
Temple, Main Street.

Resolutions, Ordinances, and Contract

RESOLUTIONS

In the Year of our Lord one thousand nine hundred and twenty-five.

A RESOLUTION appropriating money for the purchase of a tractor and plow for clearing the streets of snow.

Resolved by the City Council of the City of Laconia, as follows:

That the sum of eighty-two hundred fifty (\$8250.) and no 100 dollars be and the same is hereby appropriated for the purchase of a tractor and plow for clearing the streets of snow. And that said sum be raised upon the polls and estate liable to be taxed within said city for the fiscal year ending Feb. 15, 1926.

Passed and approved Feb. 23, 1925.

CHARLES H. PERKINS,
Mayor.

In the Year of our Lord one thousand nine hundred and twenty-five.

A RESOLUTION authorizing temporary loans to an amount not exceeding one hundred eighty thousand dollars in anticipation of the taxes of the present municipal year.

Resolved by the City Council of the City of Laconia, New Hampshire as follows:

That for the purpose of meeting current ex-

penses of the city, the City Treasurer be and hereby is authorized and empowered to make temporary loans from time to time for the use of said City of sums not exceeding the aggregate amount of \$180,000.00, said loans being in the anticipation of the taxes of the present municipal year and hereby expressly made payable therefrom, and to give for such loans subject to the written approval of the Committee on Finance, notes of the City, each note to become due and payable within one year from its date and no such note shall be valid unless authenticated by the certificate of the National Shawmut Bank of Boston, Massachusetts. Said notes shall be signed by the Mayor and City Treasurer and countersigned by the City Clerk, shall be registered in the books kept for that purpose in the offices of the City Treasurer and City Clerk respectively.

This resolution shall take effect upon its passage.

Passed and approved Feb. 23, 1925.

CHARLES H. PERKINS,
Mayor.

*In the Year of our Lord one thousand nine hundred
and twenty-five.*

GEORGE E. STEVENS,
Mayor.

*In the Year of our Lord one thousand nine hundred
and twenty-five.*

A RESOLUTION raising money by taxation for the
year ending February 15, 1926.

*Resolved by the City Council of the City of Laconia,
as follows:*

That there shall be raised and there is ordered
to be raised on the polls and the estate liable to be
taxed within said city the sum of Four Hundred
Sixteen Thousand One Hundred Twenty-two and
Sixty-eight one Hundredths (\$416,122.68) dollars, to
defray the necessary expenses and charges of the
city for the financial year ending February 15, 1926.

Passed and approved July 6, 1925.

GEORGE E. STEVENS,
Mayor.

*In the Year of our Lord one thousand nine hundred
and twenty-five.*

A RESOLUTION authorizing the issue of Sewer and
Funding Bonds.

*Resolved by the City Council of the City of Laconia,
as follows:*

That bonds of the city of Laconia are hereby authorized to be issued, to be signed by the Mayor and City Treasurer, and countersigned by the City Clerk for a sum not exceeding sixty thousand dollars (\$60,000.00) for the purpose of constructing sanitary sewers, surface drains and public improvements in said city as shall be determined upon by the city council to be needed, such bonds to be in such form, at such rate of interest, not exceeding four and one half percent. (4½ percent.) per annum as the Mayor and Finance Committee of the City Council shall determine and maturing at the rate of one twentieth of the amount thereof each year from date thereof until paid in full.

That the Mayor and said finance committee is hereby authorized and empowered to advertise and receive bids for the purchase of said bonds which bids shall be submitted to the city council for action thereon. The expense incident to the issue of said bonds shall be a charge upon the city and be paid out of the city treasury upon order of the Mayor.

This resolution shall take effect and be in force from and after its passage.

Passed and approved July 6, 1925.

GEORGE E. STEVENS,
Mayor.

*In the Year of our Lord one thousand nine hundred
and twenty-five.*

A RESOLUTION appropriating money for County Tax.

*Resolved by the City Council of the City of Laconia,
as follows:*

That the sum of \$4668.22 be and the same is hereby appropriated for completion of the payment of County Tax.

This resolution shall take effect upon its passage.

Passed and approved July 27, 1925.

GEORGE E. STEVENS,
Mayor.

*In the Year of our Lord one thousand nine hundred
and twenty-five.*

A RESOLUTION authorizing temporary loans to an amount not exceeding Twenty Thousand Dollars in anticipation of the taxes of the present municipal year.

*Resolved by the City Council of the City of Laconia,
as follows:*

That for the purpose of meeting current expenses of the city, the City Treasurer be and hereby is authorized and empowered to make temporary loans from time to time for the use of said City of sums not exceeding the aggregate amount of \$20,000.00, said loans being in the anticipation of the taxes of the present municipal year and hereby expressly made payable therefrom, and to give for such loans subject to the written approval of the

Committee on Finance, notes of the City, each note to become due and payable within one year from its date and no such note shall be valid unless authenticated by the certificate of the National Shawmut Bank of Boston, Massachusetts. Said notes shall be signed by the Mayor and City Treasurer and countersigned by the City Clerk, shall be registered in the books kept for that purpose in the offices of the City Treasurer and City Clerk respectively.

This resolution shall take effect upon its passage.

Passed and approved July 27, 1925.

GEORGE E. STEVENS,
Mayor.

*In the Year of our Lord one thousand nine hundred
and twenty-five.*

A RESOLUTION to repeal the resolution approved 6th July 1925 entitled, "A Resolution authorizing the issue of Sewer and Funding Bonds" and authorized the issue of \$60,000 Bonds of the City for the purpose of constructing Sanitary Sewers, Surface Drains and Macadam Roads, the same to be Public Improvements of a Permanent Nature.

*Resolved by the City Council of the City of Laconia,
as follows:*

That the resolution approved 6th July 1925 entitled, "A Resolution authorizing the issue of Sewer and Funding Bonds" be and the same is hereby repealed and that the bonds of the City of Laconia are hereby authorized to be issued, to be signed by the Mayor and City Treasurer and countersigned by the

City Clerk for a sum not exceeding Sixty Thousand Dollars (\$60,000) pursuant to the Municipal Bonds Act 1895 and the Act of 1917, chapter 129 for the purpose of constructing sanitary sewers, surface drains and Macadam roads, the same to be public improvements of a permanent nature. The said bonds shall be in such form and bear such rate of interest not exceeding four and one-half (4½) per cent per annum as the mayor and finance committee of the city council shall determine and shall mature at the rate of one-twentieth (1/20) of the amount thereof each year until paid beginning one year from the date of the bonds. The mayor and the said finance committee are hereby authorized and empowered to advertise and receive bids for the purchase of the said bonds which bids shall be submitted to the city council for action thereon. The expense incident to the said bonds shall be a charge upon the city and be paid out of the city treasury upon order of the mayor.

This resolution shall take effect and be in force from and after its passage.

Passed and approved August 31, 1925.

GEORGE E. STEVENS,
Mayor.

*In the Year of our Lord one thousand nine hundred
and twenty-five.*

A RESOLUTION appropriating money for the purchase of the Huckins Property, so-called, on Pleasant Street for City Hall purposes and providing for the payment thereof.

*Resolved by the City Council of the City of Laconia,
as follows:*

That the sum of thirty-five thousand dollars (\$35,000.00) be and the same is hereby appropriated for the purchase of the Huckins Property, so-called, on Pleasant Street for City Hall purposes, and that the City Treasurer be and is hereby authorized to borrow on the credit of the City of Laconia a sum of money not to exceed thirty-five thousand dollars (\$35,000.00) for the payment of the same, upon the notes of the City of Laconia, which notes shall be in such denominations, at such rates of interest not exceeding five percent (5 percent), and of such maturities not exceeding one year, as the Mayor and Finance Committee of the City Council shall determine. Said notes shall be signed for the City of Laconia by the Mayor and City Treasurer and countersigned by the City Clerk and shall bear the seal of the city.

Passed and approved December 14, 1925.

GEORGE E. STEVENS,
Mayor.

ORDINANCES

In the Year of our Lord one thousand nine hundred and twenty-five.

AN ORDINANCE in amendment of Section 8, Chapter 19, of the Revised Ordinances, relating to salaries of the Fire Department as amended.

Be it ordained by the City Council of the City of Laconia, as follows:

Second 1. Amend Section 8, Chapter 19, of the Revised Ordinances relating to the salaries of the Fire Department, by striking out the whole of said Sect. 8, and inserting in place thereof a new section, which shall read as follows;—Section 8. The chief engineer of the fire department shall receive in full for his services the sum of three hundred dollars per annum, payable quarterly. The salary of the first, second, third and fourth assistant engineers shall be one hundred and seventy-five dollars each per annum payable quarterly; the salary of the captains of Steamer Company No. 1, Hose Company No. 2, Hook and Ladder Company No. 1, Hook and Ladder Company No. 2, shall be one hundred forty dollars each per annum, and the individual members of said companies above mentioned shall be one hundred and twenty-five dollars each per annum, and all of said last mentioned salaries shall be payable quarterly. The salary of the members of the J. A. Greene Company No. 3, shall be thirty-five dollars each per annum, payable annually.

Section 2. This ordinance shall become effective as of October 1, 1924.

Passed and approved, March 30, 1925.

GEORGE E. STEVENS,

Mayor.

In the Year of our Lord one thousand nine hundred and twenty-five.

AN ORDINANCE in amendment of an ordinance relating to the regulation of street traffic.

Be it ordained by the City Council of the City of Laconia, as follows:

Amend Section 9 of Article 4 of said ordinance as amended by an ordinance passed and approved July 2, 1923, and by an ordinance passed and approved November 26, 1923, by striking out all of said Section 9, and inserting in place thereof the following:

Section 9. No vehicle shall be parked on the northerly side of Canal Street or on the southerly side of said street within forty feet of Main street or forty feet of Beacon Street.

Passed and approved April 27th, 1925.

GEORGE E. STEVENS,
Mayor.

In the Year of our Lord one thousand nine hundred and twenty-five.

AN ORDINANCE in Amendment of Sections 1 and 2 of Chapter 42 of the Revised Ordinances, Relating to Billiard and Pool Saloons and Bowling Alleys.

Be it ordained by the City Council of the City of Laconia, as follows:

Amend Section 1 of Chapter 42 of the Revised Ordinances relating to Billiard and Pool Saloons and Bowling Alleys, by striking out the two words "City

. Council" in the fifth line of said Section 1, and inserting in place thereof the two words "police commission", so that said Section 1 shall read as follows:

Section 1. No person shall keep a billiard-table, pool-table, or bowling-ally, in the City of Laconia, for use, for pay, unless a license therefor in writing, specifying the place in which it is to be kept, shall first be obtained from the police commission.

Amend Section 2 of said Chapter 42 of the Revised Ordinances relating to Billiard and Pool Saloons, and Bowling Alleys, by striking out the two words "City Council" in the fifth line of said Section 2, and inserting in place thereof the two words "Police Commission", so that said Section 2 shall read as follows:

Section 2. Every person shall pay for such license, for the use of the city, the sum of ten dollars on each billiard-table, pool-table, and bowling-alley, on or before the first day of May annually; and such license shall be revoked or annulled at the pleasure of the police commission, and shall be forfeited upon conviction of the violation of any of the provisions of this chapter. Such license may also, on application, be issued for six months from the first day of May, on payment of ten dollars, subject to the provisions of this ordinance.

Passed and approved April 27, 1925.

GEORGE E. STEVENS,
Mayor.

In the Year of our Lord one thousand nine hundred and twenty-five.

AN ORDINANCE in amendment of Section 1, Chapter 21 of the Revised Ordinances, relating to the Fire Department.

Be it ordained by the City Council of the City of Laconia, as follows:

Section 1. Amend Section 1, Chapter 21 of the Revised Ordinances relating to the Fire Department by striking out the last sentence thereof, and inserting the following: "The chief engineer and assistant engineers elected by the City Council on the twenty-fourth day of March, 1925, shall continue in office, and shall hold their respective offices until they are removed. The City Council, for cause, and after due hearing, may at any time remove from office the chief engineer or any assistant engineer. In case of vacancies, from any cause, in said offices, such vacancies shall be filled by the City Council"; so that said section, as amended, shall read as follows:

Section 1. The fire department shall consist of a chief engineer, four assistant engineers, and as many engine men, hose men, and hook and ladder men, to be divided into companies, as the number of engines and the number and quantity of other fire apparatus belonging to the city shall from time to time require. And said engineers shall constitute the board of engineers, and shall perform the duties and exercise the powers of fire wards. The chief engineer and assistant engineers elected by the City Council on the twenty-fourth day of March, 1925, shall continue in office, and shall hold their respective offices until they are removed. The City Council for cause, and after due hearing, may at any time remove from office the chief engineer or any assistant

engineer. In case of vacancies, from any cause, in said offices, such vacancies shall be filled by the City Council upon the recommendation of the Chief of the Fire Department.

Section 2. This ordinance shall take effect upon its passage.

Passed and approved May 25, 1925.

GEORGE E. STEVENS,
Mayor.

*In the Year of our Lord one thousand nine hundred
and twenty-five.*

AN ORDINANCE in amendment of Section 8, Chapter 19, of the Revised Ordinances, relating to Salaries of the Fire Department, as amended.

Be it ordained by the City Council of the City of Laconia, as follows:

Section 1. Amend Section 8, Chapter 19, of the Revised Ordinances relating to the salaries of the fire department, by striking out the whole of said Section 8, and inserting in place thereof a new section, which shall read as follows: Section 8. The chief engineer of the fire department shall receive in full for his services the sum of two thousand dollars per annum, payable quarterly; the salary of the first, second, third and fourth assistant engineers shall be one hundred seventy-five dollars each per annum, payable quarterly; the salary of the captains of Steamer Co. No. 1, Hose Company No 2, Hook and Ladder Company No. 1, Hook and Ladder Co. No. 2, shall be one hundred dollars each per annum, and the individual members of said companies above mentioned shall be one hun-

dred twenty-five dollars each per annum, and all of said last mentioned salaries shall be payable quarterly. The salary of the members of the J. A. Greene Co. No. 3 shall be thirty-five dollars each per annum, payable semi-annually.

Section 2. This ordinance shall become effective upon its passage.

Passed and approved May 25, 1925.

GEORGE E. STEVENS,
Mayor.

*In the Year of our Lord one thousand nine hundred
and twenty-five.*

AN ORDINANCE changing the name of Middle Street to Dartmouth Street.

Be it ordained by the City Council of the City of Laconia, as follows:

That the street running from Harvard Street to Oak Street in Laconia, now called Middle Street, be renamed and changed from Middle Street to Dartmouth Street.

Passed and approved June 29, 1925.

GEORGE E. STEVENS,
Mayor.

*In the Year of our Lord one thousand nine hundred
and twenty-five.*

AN ORDINANCE in amendment of an ordinance passed and approved June 29, 1925 relating to Dartmouth Street.

Be it ordained by the City Council of the City of Laconia, as follows:

Sect. 1. That the Ordinance passed and approved June 29, 1925 relating to Dartmouth Street be hereby amended by striking out the word "Oak" in the first line of said Ordinance and inserting in the place thereof the word "Tremont", so that said Ordinance as amended shall read as follows:—

Sect. 1. The street running from Harvard Street to Tremont Street in Laconia, now called Middle Street, be renamed and changed from Middle Street to Dartmouth Street.

Passed and approved July 27, 1925.

GEORGE E. STEVENS,

Mayor.

AGREEMENT

AGREEMENT, made this 28th day of September A. D. 1925, by and between the City of Laconia, a municipal corporation established in the County of Belknap, and State of New Hampshire, hereinafter called the City, and the Laconia Gas and Electric Company, a corporation duly organized under New Hampshire laws and doing business in said Laconia, hereinafter called the Company.

The Company in consideration of the agreements of the City hereinafter contained agrees that it will install, maintain, and operate for and during the period of ten years beginning on the date of this contract series alternating current street lamps of the latest type of the capacity in candle power as hereinafter specified, and will furnish and maintain all the fittings, connections and accessories thereto as required for the safe and efficient operation of said lamps during the term of this contract. The City shall grant to the Company necessary authority to erect and maintain upon the public highways within the city all poles, wires and fixtures necessary for supplying electric energy to said lamps.

Description of Lamps.

The minimum number of lamps to be furnished by the Company and used by the City under this contract is hereby defined as follows: Six hundred (600) Series Incandescent street lights candle power of same to be as ordered by City government.

The foregoing lamps are to be paid for by the City at the following prices:

250 candle power lamps at \$48.50 each per annum.
100 candle power lamps at \$28.00 each per annum.
60 candle power lamps at \$22.00 each per annum.
40 candle power lamps at \$18.00 each per annum.

At any time upon request of the City, the Company will quote price for lamps of other capacities than those above specified, such prices to be proportional to the foregoing prices; and if the City desires any lights of such different capacities and is unable to agree with the Company as to the proportional price to be paid for the same, any difference of opinion shall be settled by a board of arbitration to be chosen as provided below in the paragraph entitled "Improved Methods". Any such light shall be included in the computation of the minimum as above provided.

Hours of Lighting.

The lamps are to be kept lighted continuously every night, and shall be started within thirty minutes after sunset and kept in operation until at least thirty minutes before sunrise, it being understood that when weather conditions require, they shall be turned on and kept lighted as much longer as may be necessary in order to furnish suitable illumination of the streets.

Type of Lamp.

The lamps to be furnished under this contract are commonly known as series, street lighting, lamps, and shall be of the latest improved type for said purpose. They shall be renewed by the Com-

pany whenever burned out, broken, or reduced in efficiency to a point of eighty per cent of rated candle power. The shades, brackets and other devices in connection with the lamps shall be of suitable type to the satisfaction of the City or its representatives. Lamps shall be suspended at such height and at such points over the highway as the City may determine, so far as practicable.

Safety of Apparatus.

The lamps, wires and all accessories shall be thoroughly insulated and so placed and cared for as not to expose the public or property to danger, or necessarily interfere with the fire alarm or fire department. If any repairs or renewals which may be required for any of the apparatus shall be neglected by the Company, they shall be furnished within twenty-four hours after notice from the City; and if not so furnished shall be made by the City at the expense of the Company, to be deducted from any amount due or to become due under this contract.

Tests.

It is understood and agreed that the City may make tests at any time to determine the capacity, candle power or condition of the lamps, and that the Company shall co-operate in every particular to furnish facilities for said purposes.

Indemnity.

The Company shall indemnify and save harmless the City from any loss, cost or damage which it may suffer by reason of any suits for liability for damage to persons or property resulting from the

installation, operation or management by the Company of said lamps or accessories, or the lines and apparatus used in connection therewith, unless such damage shall result from the negligence of the City or its employees, but nothing herein contained shall in any way be construed as an admission of possible liability on the part of the city.

Patrol and Allowances.

The City agrees that in the district covered by its police patrol it will have its patrolmen inspect the operation of the lights and report through the police department all cases of failure of lamps to operate. In outlying districts not covered by the police patrol, the Company agrees that in order to provide reliable service it will maintain a reasonable system of patrol.

The Company shall make allowance to the City for any time during which said lamps or any of the same shall not be kept in operation for any reason, the allowance to be based *pro rata* upon the prices herein provided. In case the parties shall be unable to agree as to the amount of allowance, it shall be referred to a competent disinterested third party to be mutually agreed upon, and in case the parties are unable to agree upon a referee within five days after any such question shall arise, the Judge of the Municipal Court for the city of Laconia shall select a referee. The decision of said referee shall be final and binding on both parties.

Additional Lights.

The Company will furnish any additional lights of the sizes herein defined for the same prices as specified above, which shall be furnished and main-

tained whenever located by the City for the remaining period of the contract, provided, such additional lights are within an average distance of five hundred (500) feet of the then existing pole line; if such additional lights are more than an average of five hundred (500) feet from the then existing pole line, then the City shall pay for the expense of the extension of the line over and in excess of said average of five hundred (500) feet; the City, however shall not be obliged to pay any part of the expense of any extension of then existing pole lines, when such extension is used by the Company for commercial purposes, and in the event of any extension towards the expense of which the City has made contribution, as above provided, being subsequently used for commercial purposes, then the Company shall pay back to the City the amount of such contribution, upon all the terms and conditions as herein provided.

Improved Methods.

The Company further agrees that after three years from the date of this contract, if it shall be found that cheaper methods of electric lighting are practicable, it will give to said City the benefit of cheaper methods, provided said City will allow as a proper part of the cost, the expense, if any, of making the change to said possible cheaper methods, so far as the cost of change effects the cost to said Company of doing the business. If the parties hereto cannot agree as to the allowance to be made on account of said cheaper methods, the prices to be paid by the City to the Company after such changes are made shall be determined as follows: The Board of Public Works of the City shall appoint a referee, the Company shall appoint a referee, and the two

so chosen shall select a third, who shall be Chairman. The decision of the three referees shall be final, and the contract shall thereafter be modified accordingly.

Agreement of the City.

In consideration of the foregoing agreements of the Company, the City agrees that it will, subject to any and all rights it has or may have under any of the terms and conditions of this agreement, and to the right of the city to change the candle power of lights as above provided, use all the above described lamps for street lighting during said period of ten years, and will pay the Company for said lighting service for and during said period at the rates above specified for the number of lamps above scheduled, and at the same rate for all additional lamps which may be installed as above provided. Bills to be paid monthly for the service of the preceding month.

Discount of Lighting of City Buildings.

The Company also agrees that on the lighting of the City Sables at Laconia and Lakeport; Fire Stations at Laconia and Lakeport; Police Stations at Laconia and Lakeport; City Offices at Laconia; Police Office at Lakeport; Harvard Street School; Gilford Avenue School; Batchelder Street School; Bowman Street School; Laconia High School; Academy Street School; Mechanic Street School; Washington Street School Library at Laconia; Library at Lakeport; Fire Station at Weirs; City Clock; Toilet at Weirs; and the lighting of any other buildings or parts of buildings or for any lighting or power excepting street lighting, hereafter used for City purposes during the life of this contract, they will grant an additional discount of 10

per cent and 10 per cent in excess of the regular discounts now granted both on gas and electricity used in the above buildings, and also will furnish eight (8) sixty (60) candle power street lamps to be located as designated by the Committee on Street Lighting free of cost to the City.

Poles and Arms.

All poles shall be round, of selected quality, chestnut, white oak, cement, cedar or iron, to be straight, and the wooden poles to be not less than ten inches in diameter at six feet from the butt end and not less than seven inches in diameter at the top, the same to be approved by the Committee on Street Lighting of said City as conforming to said requirements, to be located and set under their direction and with their approval, and to be kept painted of a color designated and approved by them. And said City may use any one of the cross arm spaces on each of said poles for fire alarm or other municipal wires free of cost, the proper location of said wires on any pole to be agreed upon by said Company and the Superintendent of the Fire Alarm and the Chief of the Fire Department of said City. Arms are to be such as will produce the most satisfactory lighting conditions, subject to the approval of the Committee on Street Lighting of said City, and also subject to the approval of any liability insurance company which may insure said Laconia Gas and Electric Company.

Payments.

All bills to be rendered the City the first day of each month, payment of same to be made within ten days after the regular meeting of the City Council next succeeding the rendering of such bills.

IN WITNESS WHEREOF said City of Laconia by its Mayor duly authorized and said Laconia Gas & Electric Company by its Manager duly authorized have hereto set their hands and seals as the act of said City and said Laconia Gas & Electric Company on the day and year first above written.

Meetings of the School Board Monday evening preceding last Monday of each month at the office of the Superintendent of Schools.

REPORT OF SCHOOL BOARD

To the Honorable Mayor and City Council:

The School Board herewith submits its annual report. We wish to call to your attention the report of the Superintendent which contains statistics of the school work for the year ending June 30, 1925, a summary of last years achievements and recommendations for the future.

For the school year 1925-1926 we prepared the following budget which was presented to you:

School Board's Salary	\$ 100.00
Superintendent's Excess Salary	2,300.00
Truant Officer and Census	900.00
Admininstration	2,000.00
Teachers' Salaries	79,350.00
School Nurse	1,500.00
Text Books	3,500.00
Scholars' Supplies	2,000.00
Flags	50.00
Evening School	1,700.00
Janitors' Salaries	5,300.00
Fuel	4,800.00
Water, Light & Janitors' Supplies	2,000.00
Minor Repairs	4,000.00
Transportation	2,500.00
Insurance	600.00
New Equipment	800.00
Domestic Science Supplies	200.00
Mechanic Arts Supplies and Equipment	1,000.00
Miscellaneous	1,000.00
Work on Athletic Field	2,000.00
Moving Picture Machine	300.00
	<hr/>
Estimated Receipts	\$117,900.00
Amount Appropriated	6,000.00
	<hr/>
	\$111,900.00

This budget was the result of careful planning and we greatly appreciate your cooperation in granting what we asked for. We are endeavoring and expect to keep the expenditures this year within this amount.

At the beginning of the year the number of pupils in the first six grades was 851, an increase of 64 over last year. During the first four months of this year there has been an additional increase of 21. This with an average increase next year will mean that we should have additional rooms and teachers, especially at the Mechanic and Washington Street Schools. We believe this can be accomplished at a comparatively small expense by remodeling these schools so that they will be six room schools instead of four. This change will also be in line with our desire to have a teacher for every grade.

The two thousand dollars for work on grounds in rear of High School has been used to good advantage and if this work can be continued we will soon have an exceptionally good playground and athletic field.

The outstanding results of this year's work are a stronger teaching staff, good cooperation between all those working in our school system and more interest shown by the parents and public in what we are doing. Again we wish to thank you for the help you have given.

LACONIA SCHOOL BOARD,
ARTHUR D. O'SHEA, *Chairman.*

SUPERINTENDENT'S REPORT

To the School Board of Laconia:

In submitting my annual report, I wish to call attention to the following statistics for the school year ending last June: Number of teaching positions: Men in senior high school 10, evening school 4, special 1, total 15; Women in elementary schools 23, junior high school 7, senior high school 12, evening school 7, special 1, total 50.

Average salaries: of men teachers \$1850; of women in high school \$1,431.50; of women in elementary schools \$1176.50.

During the year the elementary schools were in session 350 half days, the high school 366 half days, the evening school 60 sessions. The grades lost 10 half days, the high school 14 half days.

There were 1599 different pupils enrolled during the year, of whom 825 were in the elementary schools, 245 in the junior high school, 338 in the senior high school, and 191 in the evening school. The average attendance for the elementary schools was 964, for the senior high school 287. The average absence was 59 for the elementary schools and 14 for the High School. The Average membership for the year for the elementary schools was 1023, and for the high school 301. The per cent. of attendance in all the schools was 94.47 and there were 442 cases of tardiness.

During the year 1657 citizens visited the schools. The School Board made 14 visits, and the Superintendent 530 visits.

Seventy-eight boys and girls were not absent or tardy during the year.

For one year 1924-1925:

E. Marion Smith	Shirley Towle
Betty Hunt	Nellie Rollins
Reginald Bisson	Margaret Ryan
Lynette Caverly	Rosella Butler
Lucile Marshall	Myrtle Gilman
Ruby Bernier	Leonine Hale
Muriel Head	Dorothy Robinson
Arlene Doran	Rachel Willey
Edna Davis	Nelson Hubbard
Stephen Jewett	Alden Bean
Burlon McGowan	Lewis Hackett
Guy Cotton	Frances Waite
Catherine Marshall	Maurice Tibbets
Doris Hill	Lillian Dow
John Jewell	Elmer Lucas
Doris Vittum	Chester Mastine
Helen Ford	Karl Smith
Kathleen Stetson	Katherine Batchelder
Arthur Pitman	Marjorie Cotton
Raymond Giguere	Dorothy Cheever
Janette Bernier	Catherine Sinclair
Alice Wiren	James Ringer
Elizabeth Jewett	Ruth Bowen
Bernard Robinson	Irvin Ginn
Edwin Davenport	Donald Merritz
Willard Sanborn	Inez Ranger
Walter Ryan	William Wentworth
Norman Tefft	Evelyn Avery
Barbara Gilman	

For 2 years, 1923-1925:

Ellen Davis	Norman Crossley
Oscar Gordon	Charles Goodwin
Gladys Grant	Mary Booth
Sarah Tilton	Kenneth Day

Walter Shortle

For 3 years, 1922-1925:

Frank Bean	Eunice Shorey
Muriel Beckman	Charles Bujniewicz
Norman Smith	

For 4 years, 1921-1925:

Irene Salajeski Gwendolynde Blake
Raymond Osgood

For 5 years, 1920-1925:

Arlene Campbell John Gilman
Shirley Greene

For 6 years, 1919-1925:

Mertice Colby

During the fiscal year ending June 30, 1925, the total expenditures for all purposes were \$148,565.81. Deducting the amounts paid on the debt and for interest, and \$7,000 on an overdraft for the previous year, the current expenditures for the year were \$114,515.81, classified as follows:

ADMINISTRATION

	Grades 1-8	Grades 9-12
Salary of School Board	\$ 110.00	
Superintendent's excess salary	2,000.00	
Truant officer and school census	879.85	
Expenses of administration	1,838.87	

INSTRUCTION

	\$74,470.00	\$37,350.00	\$37,120.00
Teachers' salaries	1,795.09		
Evening School	3,670.56	2,579.05	1,091.51
Textbooks	2,010.83	1,245.52	765.31
Scholars' supplies	74.47	74.47	
Flags and appurtenances	116.18		116.18
Other expenses			

OPERATION AND MAINTENANCE

Janitor Service	5,691.98	3,984.41	1,707.57
Fuel	4,810.20	3,205.64	1,604.56
Water, light and janitors' supplies	1,916.74	935.99	980.75
Minor repairs and expenses	3,831.60	1,344.85	2,486.75

AUXILIARY AGENCIES AND SPECIAL ACTIVITIES

Health supervision	1,440.25	704.98	735.27
Transportation of pupils	2,550.92	1,983.80	567.12
Other special activities	2,500.93	833.64	1,667.29

FIXED CHARGES

Insurance	1,096.03
-----------	----------

OUTLAY FOR CONSTRUCTION AND EQUIPMENT

New equipment	833.31
---------------	--------

DEBT, INTEREST AND OTHER CHARGES

Payment for principal of the debt	16,250.00
Payment of interest of debt	10,800.00
Tax for state wide supervision	2,878.00
Payment of overdraft to city 1923-24	7,000.00

Of every dollar of the total current expenses of \$114,515.81 there was spent for:

Administration	.042
Teachers' salaries	.655
Evening school	.016
Books and supplies	.050
Flags and other expenses	.001
Janitors	.050
Fuel	.041
Water, light and janitors' supplies	.016
Repairs	.034
Health	.012
Transportation	.021
Other activities	.021
Insurance	.009
Equipment	.007
Per capita tax	.025
 Total	 \$1,000

GRADUATES OF 1925

- Beatrice Aldrich, Melcher-Prescott Agency Office
Gardner Alexander, Bates College
Evelyn Avery, Clerk in Headmaster's office H. S.
Reginald Bisson, Norwich University
Charles Bujniewicz, University of New Hampshire.
Marian Cassler, Mount Ida.
Ruth Chase, Boston University.
William Clement, University of N. H.
Anna Clevenson, In father's store at Franklin.
Ralston Clinton, Wentworth Institute.
Marion Cotton, Scott & Williams office.
Gladys Dearborn, Plymouth Normal School.
John Dow, University of N. H.
Lloyd Dunlap, University of N. H.
Mildred Fay, Training in hospital at Hanover.
Jessie Goodwin, Granite State Neddle Co. office.
James Haddock, Working for father.
Rita Hennessey, Working.
Ada Hodgdon, Working.
Bernice Hopkins, University of N. H.
Harold James, Home.
Dorothy Jenkins, Plymouth Normal School.
Weston Knight, Home.
Peter Kyle, Working for father.
Susie Lawrence, Working B. G. Walker's office.
Helen Merrill, Plymouth Normal School.
Arthur Nighswander, Dartmouth College.
Elizabeth Prime, Wheaton College.
Inez Ranger, Home.
Francis Riel, Wentworth Institute.
Lee Rollins, Bowdoin College.
Chellis Sanborn, Wentworth Institute.
Louise Sanborn, Scott & Williams.
William Stafford, University of N. H.
Arthur Stone, Repertory Theatre Laboratory.

Henrietta Carlson, Howard Seminary.
Ronald Tetley, University of N. H.
Ralph Ward, Home.
Ruth Way, Northeastern University.
Doris Wilkinson, Chase's Cafeteria.

In 1921 there were 40 graduates from the High School; in 1922, 29; in 1923, 35; in 1924, 46; in 1925, 40; a total of 190. Of the 1921 graduates 51 per cent entered post secondary institutions; of the 1922 graduates 52 per cent; of the 1923 graduates 57 per cent; of the 1924 graduates 59 per cent; and of those graduating in 1925, 55 per cent up to the present time have continued their education elsewhere. Of the 190 who have graduated in the last five years 111 have continued their education as follows: 54 or 49 per cent have entered colleges; 33 or 30 per cent have taken some form of technical training; and 24 or 21 per cent have entered the State normal schools. Practically every one of these 111 boys and girls who have entered advanced institutions from the Laconia High School have made good. Some have made exceptionally good records, while a very few have failed. These failures were due in a large measure to poor preparation because of lack of application in the High School and failure to take their college work seriously.

Going back over a five-year period we find that the average membership in the elementary schools for

1920-21	was 921
1921-22	936
1922-23	961
1923-24	945
1924-25	964

During this same period the average membership in the High School has been

1920-21	261
1921-22	285
1922-23	309
1923-24	358
1924-25	287

In 1920-21 there was a total enrollment in evening school of 197.

1921-22	286
1922-23	194
1923-24	275
1924-25	191

ELEMENTARY SCHOOLS

Membership in the elementary grades at the present time is

Grade I 170	Grade IV 145
II 170	V 142
III 116	VI 121

At the close of the last school year seven of the teachers in the grades severed their connections with our schools. Of these two were married, four sought positions elsewhere, and one decided to study. Three additional teachers were secured for the grades at the opening of schools in the fall and another one was secured in November, so that the overcrowded conditions of former years were relieved to a great extent.

ACADEMY STREET SCHOOL

Mary L. Chase, Laconia High School, summer sessions at Plymouth, Keene and Hyannis Normal Schools, 26 years' experience. 27 pupils.

Harriet K. Dodge, Keene Normal School, 1 year's experience. 25 pupils.

Olive P. Ramsey, Keene Normal Schools, 1 year's experience. 25 pupils.

Annie M. Gebbie, Plymouth Normal School, 1925. 24 pupils.

Jane Barber, Dewey Training School, Keene and Hyannis summer schools, 15 years' experience. 39 pupils.

Marjorie Chase, Plymouth Normal School, Plymouth and Hyannis summer schools, 17 years' experience. 40 pupils.

The large room on the first floor was equipped last summer for a second-grade room, so there are six teachers and 181 pupils in this building at the present time. It would not be possible to add another room on the first or second floors without moving a partition, and then it would be difficult to get satisfactory room on account of the stairway in the ends of the building.

During the summer a new boiler was installed to replace the boiler that had done service since the erection of the building, and the entire heating system was thoroughly overhauled. Repairs have been made upon the roof of the building. At the present time the physical conditions at this building are very good indeed. Great enthusiasm was aroused among the pupils in this building in the civic contest that was conducted last spring with the result that the banner was awarded to this building.

BATCHELDER STREET SCHOOL

Ruth E. Young, Plymouth Normal School, Keene and Plymouth summer schools, 2 years' experience. 37 pupils.

Blanche Weymouth, Dewey Training School,

Plymouth, Keene, Hyannis and Harvard summer schools, 20 years' experience. 25 pupils.

Katherine M. McLaughlin, Plymouth Normal School, Harvard and Plymouth summer schools, 23 years' experience. 41 pupils.

Very little repair work has been necessary upon this building within the year. There is one vacant room which in all probability must be opened next year to accommodate the increasing number of pupils in the upper grades. Good results have been obtained by placing the oldest pupils from the fifth and sixth grades in a separate room. These boys and girls have received more individual attention than would be possible in a room with large numbers, and the younger ones have benefited by their removal.

The number of visitors at this building during American Education Week was much larger than at any other building due in a large measure to a contest conducted by the teachers.

I recommend that the lot adjoining the school, purchased a few years ago, be cleared and leveled to provide more play space for the boys and girls at this building.

GILFORD AVENUE SCHOOL

Estella F. Day, Plymouth Normal School, Plymouth and University of Vermont summer schools, and N. H. University Extension Course, 9 years' experience. 37 pupils.

Elinor Varney, Plymouth Normal School, 1925. 33 pupils.

Laura D. Phillips, Plymouth Normal School, Plymouth summer school, 3 years' experience. 36 pupils.

Alice J. Wadley, Medford High School, Plymouth summer schools, 21 years' experience. 34 pupils.

The exterior of this building was painted last summer. The interior walls and the woodwork were entirely refinished so that the building presented a very pleasing appearance at the opening of school. On account of the increased enrollment in this section and the fact that the Mechanic Street School was overcrowded, it became necessary to open the fourth room in this building last September. Eighteen pupils were transferred from the Mechanic Street building to the fifth and sixth grades of this building, and some who were formerly at this building were transferred to the Batchelder Street school.

HARVARD STREET SCHOOL

Shirley C. Dow, Fisher Kindergarten Training School, Keene and Hyannis summer schools. 30 pupils.

Marjorie Stevens, Keene Normal School, 1925.
31 pupils.

Marian C. Ramsdell, Plymouth Normal School,
1925. 32 pupils.

J. Hazel Duke, Plymouth Normal School, Keene
and University of Vermont summer schools, 16
years' experience. 37 pupils.

During the summer vacation the outside wood-work was painted and one school room was refinished. The physical conditions at this building are also very good.

MECHANIC STREET SCHOOL

Ardella T. Davis, Plymouth Normal School,
University of N. H. Extension Course, 2 years' experience. 34 pupils.

Edna Gouin, Plymouth Normal School, 1 year's experience. 32 pupils.

Callista Osswell, Plymouth Normal School, 1 year's experience. 26 pupils.

Lillian C. MacIntyre, Keene Normal School, 1925. 31 pupils.

Irma Snyder, Keene Normal School, 1925. 34 pupils.

Although 18 pupils were removed from this building to the Gilford Avenue building at the opening of the schools in September, the lower rooms were still very much overcrowded, and it became necessary to provide another teacher. After inspecting several places that were suggested, it seemed best to provide a room on the second floor by putting up a partition near the head of the stairs. While this room answers the purpose for a small group, still it is only a temporary makeshift and two additional rooms at this building should be provided immediately.

WASHINGTON STREET SCHOOL

Thelma R. Gray, Gorham Normal School, University of N. H. Extension Course, 3 years' experience. 25 pupils.

Rosetta F. Dame, Framingham Normal School, Plymouth and Hyannis summer schools, University of N. H. Extension Course, 14 years' experience. 39 pupils.

Ruth N. Kelley, Keene Normal School, 4 years' experience. 35 pupils.

Helen L. Foss, Plymouth Normal School, 2 years' experience. 37 pupils.

Here again the question of providing additional room must be solved within a short time. It has been suggested that an additional room can be secured at the Mechanic Street and Washington Street buildings, by changing the partitions so that part of the hallways on both floors will be utilized.

The basement at this building was much improved during the vacation by placing sheet rock on the ceiling of the basement and a thorough whitening of the ceiling and walls. The furnaces were thoroughly overhauled during the vacation and other minor repairs made about the building.

THE WEIRS

Gertrude M. George, New Hampton Literary Institute, Plymouth summer school, 37 years' experience, 21 of which have been in this school. 18 pupils

During the summer vacation the piazza and steps at this building were made over and the exterior of the building received two coats of paint. The outside door was changed to swing outward and the locks on this building, as well as at all of the other buildings, were changed to comply with the state law.

HIGH SCHOOL

The total enrollment in the junior high school for the year has been 244 and for the senior high school 351—a total of 595; of these 31 have left school, leaving 564 distributed as follows:

Grade VII 142	Grade X 81
VIII 94	XI 77
IX 116	XII 54

In the High School, of the eight teachers who left at the end of the year five retired from teaching, three were married, and two sought other positions.

TEACHERS

Headmaster Verne M. Whitman, Colby College, Columbia and Harvard summer schools, 31 years' experience.

Submaster Harry F. Wiley, Tufts College, Harvard and Cornell summer schools, University of N. H. Extension Course, 32 years' experience.

Latin

Blanche N. Abbott, Plymouth Normal School, Plymouth, Harvard and Columbia summer schools. University of N. H. Extension Course, 30 years' experience.

English

Edith L. Swain, Bates College, Plymouth summer school, University of N. H. Extension Course, 27 years' experience.

Elizabeth M. O'Shea, Smith College, Plymouth, Middlebury, Dartmouth, and Harvard summer schools, 15 years' experience.

Louis A. Freedman, Bates College, N. Y. University, Harvard summer schools, University of N. H. Extension Course, 3 years' experience.

Dorothy S. Shute, Plymouth Normal School, 3-year course, Harvard summer school. 4 years' experience.

Mary E. Fairman, Rhode Island College of Education, 1 year's experience.

Mathematics

Grace A. Farnum, Colby College, University of N. H. summer school, University of N. H. Extension Course, 8 years' experience.

Mabel B. Suitor, Keene Normal School, 3-year course. 1925

French

Marjorie B. Phelps, Middlebury College, Simmons, University of Vermont, and Middlebury summer schools, University of N. H. Extension Course. 8 years' experience.

Kathleen S. Edmands, Oberlin College, Middlebury and Harvard summer schools, University of N. H. Extension Course, 7 years' experience.

Mary E. Loughrey, Middlebury College, Clark University summer school, University of N. H. Extension Course, 2 years' experience.

History

Elden G. Barbour, Bowdoin College, Bates College summer school.

Muriel E. Sargent, Wheaton College 1925.

Commerce

Nell L. Doane, Bliss Business College, Plymouth Normal School and University of Maine summer schools, 18 years experience.

Louis R. Collins, Brown University, Boston University summer school. 5 years' experience.

Mariam F. Foster, Boston University 1925.

Regina M. Mitchell, Boston University 1925.

Geography and Science

Doris Kelso, Keene Normal School, 3-year course, 2 years' experience.

Science and History

M. Carolyn McVay, Rhode Island College of Education, University of Vermont summer school, 2 years experience.

Domestic Science

Elsie L. King, University of New Hampshire, University of N. H. and Cornell summer schools, 7 years' experience.

Ethel M. Cowles, University of New Hampshire, 1925.

Mechanic Arts

Rolland R. Gove, Morrill School, University of N. H., Harvard and M. I. T. summer schools, 13 years' experience.

Rangvald Olsen, University of N. H. Extension Course, 1 year's experience.

Charles E. Lord, University of New Hampshire, University of New Hampshire Extension Course, 2 years' experience.

Edgar M. Royce, several years in charge of the Apprentice Department of the B. & M. shop in Concord. 1 year's experience.

Otis S. Smith, Mass. Institute of Technology, University of N. H. Extension Course, University of N. H. summer school. 2 years' experience.

Physical Director

Harold T. Fernald, University of New Hampshire, Harvard and University of Illinois summer schools. 1 year's experience.

The Students' Association is managing a Lyceum Course that costs \$1300 this year and will undoubtedly turn over to the athletic council quite a sum of money as a surplus.

The finances of the athletic council are in good shape at the present time with a balance of several hundred dollars in the treasury. Our teams have shown fine spirit and good sportsmanship in their games. Basketball for girls under the direction of Miss Cowles is fast coming into favor. Archery has been introduced as a sport for the girls also.

In place of the numerous clubs that have existed with somewhat questionable benefits in the high school for a number of years it seemed best to the committee in charge to make the assemblies more worthwhile. Programs consisting of some special feature in music, health and art are presented by some one connected with the school or by some outside speaker. Another new feature this year along the same lines is the parties arranged by the six

classes for the purpose of promoting co-operation among the parents and teachers.

The school had a good record in the tests in elementary subjects conducted by the State Department last June, and much credit is due the teachers who had charge of these drills as well as to the pupils themselves.

Last June an exhibition of the work done in the Mechanic Arts and Domestic Science departments was held in the gymnasium and classes were in session during the evening. Visitors were present from the State Department and from school systems in several other towns as well as a large number of the townspeople.

After a lapse of several years a debating society was organized in the high school in 1922 by Miss Lucy McCann, a teacher of English. From that time interest and participation in debating have increased and this year, in addition to the debates in the New Hampshire Interscholastic Debating League, debates have been arranged with Nashua High School, Lawrence Academy of Groton, Mass., and with the Massachusetts Institute of Technology Freshman Team.

The debating society also has an annual prize speaking contest and sends one speaker to the state-wide contest at Durham. Last spring Arthur Spring brought honors to the school by winning first place in the interscholastic contest.

The *Lakonian*, the school paper, was also started in 1922 under the direction of Miss McCann and has increased in worth until it is considered as one of the best high school papers in New England.

In September the high school orchestra was re-organized by Miss Perry and has played very acceptably on several occasions. A choral society has also

been organized and will give a concert in the early spring.

The selection of Mrs. Edmands as dean of girls in the high school has met with favor among the parents, other teachers, and the girls. The girls take their problems and questions to Mrs. Edmands and receive much help from her along many perplexing lines.

RECOMMENDATIONS

It seems a pity that so many of our boys and girls leave school and do not continue to enjoy and to receive benefit from the many opportunities possible right here in their own school system.

Comparison with other schools shows that the number of failures are much larger than the average. These figures for last year were about the same as those for the preceding five years as shown in last year's report. Committees of teachers are considering the causes of this mortality, changes in the curricula, re-arrangement of the daily schedule, and supervised study and will compile a report from their investigation for the use of the School Board. Again I ask the people of Laconia to encourage boys and girls to remain in school.

Enrollment in the high school in 1900 was 135; 1905, 153; 1910, 157; 1915, 184; 1920, 243; 1921, 278; 1922, 316; 1923, 356; 1924, 389; 1925, 342. The increase since the introduction of the mechanic arts course in 1918 is very marked. It is expected that the domestic arts course will also interest and keep many girls in school.

The elementary school enrollment (total number registered) for five years has been—1921, 1046; 1922, 1040; 1923, 1051; 1924, 1132; 1925, 1161.

There is only one unused room in the elemen-

tary schools, the one at Batchelder Street. More rooms must be provided at the Lakeport schools and I recommend that the remodeling of those buildings be considered this year.

Last year the boys of the Mechanic Arts Course, under the direction of Mr. Smith, surveyed the lot in the rear of the high school, then they plotted it to determine the amounts of cut and fill, made a contour model and made a plan and model of the athletic field. This work formed a very practical project for the boys and provided plans for the work that was done last summer.

This work should be carried on as rapidly as possible so that the pupils may have the advantage of a good field for play and athletics.

Each year there are graduates from the high school who are unable to continue their studies for financial reasons. The Woman's Clubs are doing a splendid work and can assist more boys and girls if public spirited citizens will make contributions to their scholarship funds.

The work of the Evening Schools is of a high standard and should appeal to a larger number. Employers are urged to point out the advantages of attendance to the men and women in their employ.

I wish to quote the following from a recent industrial magazine: "I wish it were possible to wake up our business, political and scholastic leaders to the fact that mistaken education may prove a great curse to a nation. Schools that refine tastes and create desires and appetites without giving to their pupils at the same time saleable skill and knowledge which the world is willing to pay for, do as much harm as good. Young people with intense desire to have the good things of life and unable to pay for them with the earnings of their unskilled work,

all too frequently try to secure the desired living conditions by the use of their wits; and as a result, we have a rising tide of youthful criminals flooding the courts of our country. Let us get back to sanity and teach WORK first, and when we have trained boys and girls to be self-sustaining, then let us give them as much culture as they can assimilate."

Several organizations and many individuals have been helpful in many ways and to these it is a pleasure to express our appreciation.

Respectfully submitted,

JOHN S. GILMAN,

POLICE DEPARTMENT

REPORT OF POLICE COMMISSION

To the Honorable Mayor and City Council:

We respectfully submit herewith the report of the City Marshal for the year ending Jan. 31, 1926.

ELMER S. TILTON,

RUFUS P. DOW,

JOHN M. GUAY,

Police Commission

REPORT OF CITY MARSHAL
For the Year Ending January 31st, 1926

ARRESTS

Males,	362
Females	9
Whole number of arrests	371

CAUSES OF ARREST

Store doors found open and secured,	27

Complaints received and investigated,	60
Value of merchandise found outside of stores,	\$56.
Searches made for liquor, none found,	27
Burglaries reported,	7
Larcenies reported,	10
Assisted out-of-town officers,	9
Horses killed at request of owners,	1
Fires attended,	14
Auto accidents investigated,	70
Juvenile cases,	28

C. A. HARVELL,
Chief of Police.

FIRE DEPARTMENT

REPORT OF CHIEF ENGINEER

To the Mayor and Council of Laconia:

I have the honor to submit for your consideration the report of the Fire Department for the year 1925.

During the past year the Department responded to 41 Box alarms, 138 chimney fires.

We responded to one call for fire in Gilford, one call from Sanbornton for brush fire.

One false alarm was pulled in from Box 78, May 11.

During the past year the horse drawn Ladder truck was transferred to the Lakeport station.

Three horses were turned over to the street department.

One City Service Ladder Truck was purchased at a cost of \$9,500.00 for the Central Station.

The Triple Combination was overhauled, all worn parts were replaced with new ones, also pneumatic tires were purchased to replace the solid tires.

The improvements cost \$1150.00.

This Triple Combination was purchased and delivered February 15, 1916, and is in first class condition at the present time.

The fire alarm was extended to the Weirs at a

cost of \$2,000.00. Two fire boxes, Nos. 434 and 435 were installed at the Weirs.

One fire alarm box No. 83, at Sheridan and Appleton streets.

One fire alarm box No. 212, at South Main and Grant streets.

One fire alarm box No. 314, corner Hill and Pear Streets.

One fire alarm box No. 315, Gilford Ave. and Brook street.

One fire alarm box No. 316, corner Church and Main streets.

All outside fire alarm wires were transferred onto new poles, with new cross arms, also fire alarm boxes. This work was done by the Laconia Gas and Electric Co., at a cost of \$1,000.00.

PERSONNEL OF THE LACONIA FIRE DEPT.

Chief Engineer, Arthur W. Spring

First Assistant, Edison H. Kennedy

Second Assistant, Henry H. Shorey

Third Assistant, Edwin C. Sargent

Fourth Assistant, Joseph H. Roucher

CAPTAINS OF COMPANIES

Luther McMurphy, Engine Co. No. 1

Raymond Tefft, Engine Co. No. 2

Milo Saunders, Hook and Ladder Co., No. 1

Milo Judkins, Hook and Ladder Co. No. 2

H. L. Benjamin, Weirs Hose Co. No. 3

PERMANENT DRIVERS

Elmer I. Cutting	Walter Sanborn
Willard F. Judino	Peter Dagnais
	Adlor J. Perry

ENGINE COMPANY, NO. 1.

Lieut. Elmer Cummings	Charles Fifield
Clerk, Clarence Neal	Ralph Fifield
Joseph Decelles	S. Willett
Ralph Neal	L. Vallier
A. W. Clark	Charles Cotman
Herbert Neal	Elwin O'Leary.
	Custer Sanborn

HOOK AND LADDER CO. NO 1

Lieut. Earl Brough	John Dyer
Clerk, Clinton Simpson.	Fred Kuss
Phillip Burke	George McMichael
Byron Hebert	Charles Vandall
	Sam Haseltine

ENGINE CO. NO. 2

Lieut. Charles Goodwin	H. E. Sargent
Clerk, Archie Davis	Hector Morin
Henry Lamott	William Bechard
Walter Huse	Delphis Giguere
	Ernest Gagne

HOOK AND LADDER CO. NO. 2

Lieut. R. J. Hurd.	E. L. Huse
Clerk, G. E. Thyng	Nelson Judino
Charles Lee	G. Wallace

WEIRS HOSE CO. NO 3

Clerk, W. E. Floyd	Carl E. Davis
W. T. Cole	G. W. Tarlson, Jr.
F. L. Dearborn	Harvey L. Smith
	William P. Filgate

The equipment consists of the following:

One 750 Gallon Pumper Chemical and Hose Wagon.

One 600 Gallon Pumper Chemical and Hose Wagon.

One City Service Ladder Truck.

Two Combination Chemical and Hose Wagons,
horse drawn.

One Segraves Ladder Truck, horse drawn.

One Ford ton chassis, with hose body.

9,000 feet of 2½ inch good hose.

2,000 feet of 2½ inch poor hose used for sewers.

There was no hose bought in 1925.

One thousand feet of hose should be purchased
this year. All our equipment is in fairly good con-
dition.

Respectfully submitted,

ARTHUR W. SPRING,

Chief fire department

BOX ALARMS FOR 1925

Date	"	Location	Owner or Occupant	Nature of Fire	Cause

- 7—Third alarm.
- 8—Boy Scouts' call.
- 15—Militia call to Armory.

ARTHUR W. SPRING,
Chief Fire Department.

REPORT OF TREE WARDEN.

To His Honor the Mayor and City Council:

I herewith submit for your consideration the annual report as tree warden. During the past year we have removed several old maple trees, which were decayed, we have replaced them with young trees.

There is a large amount of labor required in cutting out dead branches, and limbs throughout the city.

The Brown Tail and Gypsy Moth nests are not as numerous this winter, while there are nests of eggs on shade trees throughout the city.

Arrangements are being made to exterminate them before March first.

Respectfully Submitted,

A. W. SPRING.

OVERSEERS OF THE POOR

To the Honorable Mayor and City Council:

We respectfully submit our report as Overseers of the Poor for the year ending February 15, 1926.

The expense of this department has not been as large as last year, until now. January and February so far, has been much larger, owing to business conditions. Therefore I would recommend Seven Thousand Four-hundred Dollars for this department, for the ensuing year.

F. A. RAND,

Overseer of the Poor

Wards 2, 3, 4 and 5.

O. A. FLANDERS,

Wards 1 and 6.

TRUST FUNDS

REPORT OF THE TRUSTEES

To the Auditor of the City of Laconia:

We respectfully submit our report for the year ending February 15th, 1926.

The trustees have, during the past year, visited the various cemeteries and personally examined each burial lot in connection with which the city is holding a trust fund for the care of the same, and have endeavored to authorize and apply in each case the expenditure of such portion of the available income as seemed advisable to most effectively preserve the lot and connections.

Trustees of Trust Funds.

LACONIA PUBLIC LIBRARY

REPORT OF THE TRUSTEES

To the Honorable Mayor and City Council:

The undersigned, trustees of the Laconia Public Library, herewith transmit to you the annual report of Arthur W. Dinsmoor, Treasurer, showing the financial condition of the library for the year ending February 15th, 1926, and a statistical report prepared by Miss Hazel J. Clark, Librarian, showing the circulation and registration for the same period.

That the library has prospered and given increased service to the community during the past year may be adduced from the fact that there was an increase in circulation over the preceding year of 1924, of 3,768. This seems especially gratifying because this increase followed the exceedingly large increase of 6,780 in the year 1924 over that of 1923.

A very valuable addition has been made during the year in the form of the extensive collection of Indian relics donated to the library by the late Herbert Hoyt, of Lakeport. These relics of a vanishing race were all gathered in this section, and the collection is even larger than that of the late Erastus P. Jewell, and can only be of greater historic value as the years pass. The trustees have purchased a glass case to contain this collection and the same will be located in the upper hall of the library.

Respectfully submitted, HAZEL J. CLARK, LIBRARIAN.

Twenty-Fifth Annual Report of the BOARD OF PUBLIC WORKS

Laconia, N. H., Feb. 15, 1926.

To the Honorable Mayor and City Council:

We hereby submit the twenty-fifth annual report of the Department of Public Works, and transmit herewith, copies of the detailed reports and recommendations of the City Engineer, Street Commissioner and Superintendent of Sewers.

With generally adequate appropriations, and the valued assistance and cooperation of your honorable body, we have been enabled to complete a very substantial amount of permanent construction, in extensions and additions to our street and sewer systems, during the past year.

The surfacing with bituminous macadam, of sections of Elm, Fair, Messer and North Main streets, (the latter project being built in conjunction with the State, under Special Appropriation), represents over fifteen thousand square yards of new pavement. The proposed improvement of another section of the Rocky Pond Road, (south Main Street toward Belmont) which was authorized, the State paying one half the cost under Trunk Line Construction, had to be deferred until next season, on account of lack of time before cold weather set in.

The abandonment of the Street Railway, and the substitution of the bus service, while causing a considerable outlay for replacement of pavement, from present appearances, will be justified, and the

improvement in the appearance and general condition of our main thoroughfares in both summer and winter, and the very satisfactory service rendered up to date, apparently meets the approval of our citizens.

For many years, the problem of sewerage disposal at The Weirs has been a troublesome one, and in our opinion, it has been wisely solved, and the work of construction, authorized by you, is well on the way, and can easily be completed the coming year.

Substantial extensions on surface drains and sidewalks were made, and the usual routine of maintenance work was carried on in a satisfactory manner.

The demand for snow removal has continued, and as you know, we were obliged to purchase another tractor and plow to keep the city streets clear; the services of one of the plows being necessary for most of the time, when ploughing has to be done, in keeping open the Daniel Webster Highway and the up-in-town district as far north, as the Meredith town line. Outside the compact section, the State pays one half the cost of ploughing the Trunk Line Highway, up to a total cost of seventy dollars per mile. The extent of this sudden, but very urgent demand for keeping the Trunk Lines passable for motor vehicles all winter, is understood, to some extent, as we realize that, during the present season, it has been found necessary, by the State Highway Department, and the several cities and towns en route, to make arrangements to keep the Daniel Webster Highway open from the Massachusetts State line at Nashua to the town of Lincoln.

So far, the work of ploughing the local streets

has been generally satisfactory, and although the expense of removing the snow around the compact sections, and on narrow streets, may cause some increase in the total expenditure for winter operations, yet the results seem to us to justify the new method.

As has been demonstrated very recently, the additional fire protection afforded property in sections of the city, that, for weeks at a time, would otherwise be practically inaccessible so far as our motorized fire apparatus is concerned, cannot be measured.

Our city sustained a great loss in the death of Mr. J. Henry Story, which occurred last June. He served as a member of the Board of Public Works continuously from 1901 until the time of his death, most of the time as Chairman, and his passing is keenly felt by all connected with these Departments.

We would ask your careful examination of the detailed reports of the Engineering, Street and Sewer Department, also the recommendations made therein.

We would renew our recommendation of last year, concerning Fair, Street Bridge, and would specially mention the continuance of macadam work on North Main Street, and Rocky Pond Road, on both of which we receive aid from the State on a fifty fifty basis, also it would be desirable to continue other sections of this pavement on South Main street between Garfield and Grant Street, Elm St., and Messer St.

We recommend the following general appropriations:

Bridge Repairs,	\$2,000.00
Cleaning Streets,	5,700.00
Cleaning Catch Basins,	1,700.00
Collecting Ashes and Waste,	7,200.00
Cutting trees, brush, grass, etc.,	800.00
Drain repairs and maintenance	1,700.00
Insurance,	500.00
Maintenance of Macadam,	7,000.00
Sanding sidewalks,	650.00
Recovering sidewalks,	2,600.00
Repairing pavement on Pleasant and Main St. and Union Avenue	9,000.00
Sprinkling and oiling,	5,300.00
Purchase of Equipment,	3,500.00
Winter expenses,	15,000.00
General repairs and maint.,	15,000.00
City engineering	2,200.00
Sewer maintenance	3,150.00
State Aid maintenance	100.00
Trunk Line maintenance	2,500.00
	85,600.00

Respectfully submitted,

HARRY L. SMITH,

WALTER L. HUSE

Board of Public Works.

REPORT OF THE STREET, SEWER AND ENGINEERING DEPARTMENTS

To the Board of Public Works:

Gentlemen:

The following is presented as the report of the Public Works Departments for the year ending February 15th, 1926.

ORGANIZATION

Supt. of Streets, Sewers and City Engineer
CHARLES A. FRENCH

1st Asst. Engineer—Clerk, John M. Eldridge.
Assistant, Arnold J. O'Mara.

FOREMEN OF STREET DEPARTMENT

Division No. 1.	Nelson Dione
Division No. 2.	William J. Greenlay
Division No. 3.	Charles H. Swain

FOREMEN OF SEWER DEPARTMENT

Archilles Parent

The amount expended for the fiscal year 1925-26 is \$156,544.48, itemized as follows:

1. Bridges		
Weirs Channel	349.40	
Miscellaneous	283.80	633.20
2. Cleaning Catch Basins		1747.69
3. Cleaning Streets		5,624.58
4. City Engineering		2,169.60
5. Collection of Ashes and Waste		7,239.09
6. Cutting trees, brush, grass, etc.		933.94

7.	Drains	
	Baldwin, Lovell, Merrimac Sts.	5,620.94
	Gilbert Brook Improvement	2,296.85
	Sheridan, School, North, Belvidere Streets	2,820.89
	Walker Street	1,214.72
	Repairs and maintenance	1,166.66
8.	Elm St. improvement	13,120.06
9.	Endicott St. and Lakeside Ave. improvement	5,064.59
10.	Fair St. improvement	782.19
11.	Messer St. improvement	4,449.45
12.	Insurance	8,867.98
13.	Maintenance of Macadam	439.29
14.	Purchase of tools and equipment	5,582.13
		19,736.43
15.	Repairs to the department buildings	383.62
16.	Sanitary sewers	
	Dolloff Street	136.13
	Messer Court	236.22
	North Main St. (Exp. 1924— \$508.91)	2,106.49
	Weirs System	16,852.50
	Maintenance	3,330.35
		22,661.69
17.	Sidewalks	
	Edwards Street	874.01
	Girad Street	408.56
	Lakeside Avenue	2,627.11
	Oak Street	858.06
	Pleasant Street	336.37
	Union Avenue	599.21
	Whipple Avenue	1,062.41
	Recovering	3,777.69
18.	Sprinkling and oiling	10,543.42
		5,353.12

19.	State Roads				
	North Main Street	13,619.90			
	Rocky Pond Road	47.65			
	Trunk Line maintenance	5,296.88			
	State Aid maintenance	257.20	19,221.63		
20.	Winter Expenses		11,580.35		
21.	General repairs and main- tenance		10,410.83		
	Total		\$156,544.88		

The following table gives information in regard to the condition of all city bridges.

No.	Name	Span	Material	Condition	Location
1	Academy St.	15.5 feet	Concrete	Excellent	Durkee Brook
2	Church St.	150.0 "	Wood	Poor	Winn. River
3	Court St.	15.0 "	Concrete	Excellent	Durkee Brook
4	Davis Place	23.0 "	Concrete	Excellent	Jewett Brook
5	Elm St.	232.0 "	Concrete	Excellent	Winn. River
6	Fair St.	201.0 "	Wood	Very Poor	Winn. River
7	Garfield St.	10.0 "	Concrete	Excellent	Durkee Brook
8	Gold St.	145.0 "	Steel, Wood	Good	Winn. River (Foot bridge)
9	HIGHLAND ST.	25.0 "	Concrete	Excellent	Jewett Brook
10	Main St.	72.0 "	Concrete	Excellent	Winn. River
11	Messer St.	100.0 "	Steel, Concrete	Excellent	Winn. River
12	Mill St., No. 1	36.0 "	Concrete	Excellent	Power Canal
13	Mill St., No. 2	128.0 "	Wood	Poor	Winn. River
14	Union Ave., No. 1	19.0 "	Concrete	Excellent	Jewett Brook
15	Union Ave., No. 2	13.0 "	Concrete	Excellent	Black Brook
16	Weirs	100.0 "	Steel	Fair	Winn. River

The wooden bridges on Church, Mill and Fair Streets are in a poor condition and require much attention and considerable expenditure.

The rails of the street railway will be removed from the Church Street bridge in the spring and it is probable that with some new timbering and a new deck it can be made to answer the purpose a few years more.

The Mill Street bridge is gradually deteriorating and presents a problem which is hard to solve.

The Fair Street bridge should be replaced by a steel structure with a cement concrete floor.

The street railway has removed the rails from the Weirs Channel bridge and this department has laid a new floor on the portion occupied by the street railway track. This bridge has been reinforced and carefully cared for and although an old bridge is in good condition and should serve its purpose for some time.

In cooperation with the City the Boston and Maine R. R. has widened the overhead bridge on Endicott Street at the Weirs the City building an addition to the abutment on the north side and a retaining wall to provide for street widening on Lakeside Avenue.

DRAINS

The Gilbert Brook Improvement was continued to a point about one hundred feet south of Dolloff Street, and a reinforced culvert built across Dolloff Street, thus completing the much needed improvement of Gilbert Brook from the river at Rowe Court to the point mentioned. The total cost of this improvement has been \$24,399.58, which was spread over four years. The completion of this project has enabled the city to build sorely needed drains on Dolloff, Baldwin, Gilbert, Lovell and Merrimac Streets to relieve an almost intolerable situation at this point and incidentally to relieve this department from a constant expense in making repairs after each rain.

Much needed drains were built on Sheridan, School, North, Belvidere Streets and on Walker Street.

I renew my recommendation for a drain on Edicott Street from the Daniel Webster Road to the Oak Road and recommend construction of drains on Dolloff and Province Streets to the foot of Cool

Broth Hill, for a drain on Baldwin Street from Pine Street northerly, and for a drain from Lake Opechee to Franklin Street, at the junction with School Street, thence through private land to the junction of Bell and Washington Streets.

The usual amount of repair and maintenance work was done on surface drains and they are generally in excellent condition.

BITUMINOUS MACADAM PAVEMENTS

Bituminous macadam pavements were laid on Elm St. 2,609 sq. yds.; Fair St. 1,734 sq yds.; Messer St., 4,204 sq. yds.; North Main St., 7,130 sq. yds.; a total of 15,677 sq. yds. in addition to several large patches made necessary by breaks in water mains. Bituminous pavements should be laid on South Main Street from the junction of Main and Garfield Streets to the pavement on the Rocky Pond Road at the junction of Main and Grant Streets; on Pine Street from Main Street to Baldwin Street, on Elm Street westerly and on Messer Street from the bridge to Union Avenue.

The cost of maintaining 109,120 sq. yds. of bituminous macadam, exclusive of State Roads, built previous to 1925 was \$5,582.13 or about 5.1 cents per square yard.

The abandonment of the Street Railway and the removal of the track in the spring will make necessary much new pavement and a great deal of repairing but when done the cost of maintenance to pavement adjacent to tracks should be much less than in the past.

It is apparent that with one roller and the accompanying equipment it is not feasible to lay more than 16,000 sq. yds. of pavement in a season. If more is to be laid additional personnel and equipment must be provided for.

PURCHASE OF EQUIPMENT

A ten ton Best Tractor equipped with a Sargent Plow was purchased at the end of the last fiscal year at a price of \$8,236.97 and proved so successful that the Council decided to purchase an additional outfit consisting of a five ton Best Tractor and plow to cost \$5,300.

Two Ford one ton trucks and a runabout with an express body were purchased and found to be useful and economical.

The two ton Federal truck used in the collection of ashes and waste became so worn that the expense of upkeep became excessive. It was decided to exchange the same for a two ton Concord truck with a steel body and underbody hoist, paying a difference of \$3,000.

A gasoline trench pump, an Ingersoll Rand Jackhammer drill and two scrapers were purchased.

The department is well equipped with tools and machinery all of which is in good condition and well cared for.

SANITARY SEWERS

The following sewers were built during the past season:

Andrews Ave.	299 ft.	6 inch.
Calvary Ave.	351 ft.	6 inch.
Doe Ave.	691 ft.	6 inch.
Dolloff St.	200 ft.	6 inch.
Folsom St.	280 ft.	6 inch.
Hamilton Ave.	248 ft.	6 inch.
Lakeside Ave.	2849 ft.	6-8-10 inch.
Messer Ct.	161 ft.	6 inch.
Maple Ave.	111 ft.	6 inch.
No. Main St.	740 ft.	6-8 inch.
New Hampshire Ave	101 ft.	6 inch.

Opechee Park	560 ft.	8 inch.
Tremont Street	228 ft.	6 inch.
Veterans Ave.	199 ft.	6 inch.

Total 8,696 feet or 1.65 miles.

In addition a collecting, septic and dosing tank 63 feet long, 18 feet wide and eight feet deep, constructed of reinforced concrete was built on the land previously purchased by the city known as Endicott Park. An outfall consisting of about 80 feet of 10 inch tile and cast iron pipe was laid into the swift current of the Weirs Channel.

An automatic clorinating apparatus installed in a small building erected above the tank will treat the effluent and destroy the injurious bacteria.

All the above sewers were constructed by Street Department forces. The concrete septic tank was built by contract. The cost of construction was well below the estimated cost.

There remains the following work to complete the sewerage system at the Weirs, funds for which are now appropriated; construction of a collecting tank on the Methodist Camp Ground, so called, equipped with a pump and force main to the sewer in Weeks Street, and the construction of a collecting sewer and laterals in the streets on the Camp Ground, all of which will be completed the coming season.

The present City Council is to be congratulated for their courage and far sightedness in tackling and appropriating money to complete this long discussed and often side tracked sanitary problem at the Weirs.

Sewers are needed in the Sheridan, Appleton

Street district at Lakeport and I have made estimates totaling about \$11,000 to cover this work.

The district north of the junction of Highland and Winter Streets, including Morrill St., Gilford Ave. and the adjacent streets have no sanitary sewers, and as it is rapidly building up steps should be taken to sewer this area.

The usual amount of maintenance was given the sewer system and it is in good condition throughout.

SIDEWALKS

Sidewalk surfaced with asphalt concrete was constructed on Edwards St., Girard St., Lakeside Ave., Oak St., Pleasant St., Union Ave. and Whipple Ave. 2,918 sq. yds. of asphaltic concrete were laid on new sidewalks and 5,130 sq. yds. of old sidewalk was recovered.

Walks were regraded and resurfaced in conjunction with the improving of Messer St. and Fair St.

STATE ROADS

Construction

The New Hampshire Legislature of 1925 appropriated \$6,250 for each of the years 1925-26 for the improvement of the road on North Main St. to the Laconia School for Feeble Minded. The sum of \$6,250 was appropriated by the City for 1925, and the \$12,500 was expended by the Street Department in laying 3,565 lineal feet of 18 foot bituminous macadam pavement with four foot shoulders on each side.

Although there was an appropriation of \$5,000, one half by each the State and the City, available for construction on the Rocky Pond (So. Main St.)

it was found impossible to do this work during the season of 1925 on account of the pressure of other work. This sum is available for use the coming season.

Maintenance.

The Rocky Pond Road, previously paved, was given a painting coat of hot asphalt and sanded.

The usual maintenance work was done on North Main Street and the Daniel Webster Road and in addition long stretches of posts were set along the latter road for the construction of railings made necessary by the removal of the street railway. These railings were not completed due to weather conditions.

SNOW REMOVAL

The demand for removal of snow from roads to permit the use of motor vehicles caused the purchase of a ten ton and a five ton tractor snow plow, the abandonment of the long used method of maintaining snow roads by means of road machines and snow rollers. It is probable that the cost of maintaining roads in winter under the new policy will be somewhat increased but how much of an increase, time will tell. Undoubtedly more snow must be removed from the city streets but the plows will break out the streets and roads much more rapidly and at less cost per hour than snow rollers could be run. In the spring when the deep drifts soften, a great deal of expense has been incurred in the past in shoveling them out for the passage of wheeled vehicles, this expense is eliminated by the use of plows.

About 500 lineal feet of snow fence has been installed beside roads to prevent the formation of drifts. If this proves satisfactory and economical more should be installed another winter.

PLUMBING

This department issued permits for and inspected 210 plumbing jobs during the year.

ENGINEERING

Surveys and estimates were made for the various projects examined during the year including the State Aid Roads on North Main Street and the Rocky Pond Road. New streets were surveyed and descriptions for street layouts prepared. Lines and grades for all construction were given.

This Department also prepared plans, estimates, contracts, etc., for the remodeling of the building purchased for city offices and will also superintend the execution of the plans and specifications.

GENERAL

All work provided for by appropriations was completed with the exception of the Rocky Pond Road, the sidewalk on Beacon St. which was held up by our inability to obtain land for a reasonable widening.

The sidewalk on Kentfield Court was not built as the street has never been laid out as a highway and the side lines are not fixed in satisfactory manner.

More work than was expected was accomplished on the Weirs Sewer System.

The Laconia Street Railway was discontinued, by authority of the Public Service Commission, and a line of motor busses established. The physical

property of the road was sold for junk and partially removed from the streets under the terms of an agreement entered into with the city. But little of the street pavement was disturbed as the work was started so late in the season but it is expected that this work will be resumed in the spring and the road surfacing, destroyed, will be replaced and additional surfacing placed where needed.

Mr. J. Henry Story who had been a member of the Board of Public Works since 1901, shortly after it was constituted, and chairman of the Board for almost all of that period, died in June 1925. His death was a great loss to the departments. He was interested in the work and conscientious and faithful in the performance of the duties assigned to the Board. He took great interest in the improvement and betterment of the City and was steadfast for the carrying out of an enlightened policy of public improvements. He was a loyal friend and councillor.

Respectfully submitted,

CHARLES A. FRENCH,

City Engineer, Supt. of Streets and Sewers.

REPORT of PARK COMMISSION

Laconia, N. H., January 22, 1926.

To the Mayor and Council of the City of Laconia:
Gentlemen:—

For your consideration the Park Commission is pleased to submit the following report:

The season of 1925 proved to be a very prosperous and successful one for Opechee Park Playground.

Through the courtesy of the local Red Cross Chapter our director, Mr. Edward L. Warren, Jr. spent the first week of the season at an Institute in Maine held for the purpose of giving instruction in the Red Cross Life Saving Work. During the summer very gratifying results were obtained in the classes of life saving and swimming which were conducted at Opechee Park Playground. Those attending these classes received daily instruction in both swimming and life saving. This is indeed an important part of the work conducted by our Playground Director, as it cannot but help be a necessity that the children living in the City on the Lakes should be well schooled in these water activities.

The flag raising at 9:00 o'clock each morning opened a day at the playground arranged in such a manner that all in attendance from the youngest to the eldest found some activity to their liking.

Much interest was shown in the various sports, namely baseball, basketball, volleyball, croquet, etc.

The tennis courts after being renovated and put in first class condition were much appreciated.

Although no spectacular event took place this season there were many interesting programs carried out at intervals.

Under the leadership of Miss Annabelle Dodds, of Laconia, the girls attending the playground received instruction in basketry and weaving as well as in the various games and outdoor exercises.

As usual the doll carriage parade proved very popular. The hikes and picnics also gave the children much pleasure.

The boys of Opechee Playground accompanied by those from Leavitt Playground enjoyed an overnight camping trip at Mr. C. E. Tyler's Camp on Lake Winnisquam.

Lake Shore Park proved an ideal picnic spot for the girls.

The directors of the Playgrounds and the members of the Park Commission held several meetings during the season and attempted to cooperate in the plans for the year.

The matter of the South Main Street playground has been considered quite seriously and it would seem advisable to support a part time instruction there to care for the smaller children who are unable to reach the upper playground.

The work at the Leavitt Playground has been very successful under the direction of Mr. Charles Lord and Miss Elva Ortolf.

The equipment has been repaired and painted; the tennis court has been lengthened and resurfaced and a permanent wire fence has been built around it; a collapsible booth has also been built for use at the summer carnivals.

The usual number of hikes and over-night camping trips were held and the smaller girls and

boys assisted Miss Ortolf in staging a delightful Indian Pageant. Miss Ortolf also coached a fairly large class in grass-work and basketry.

Through the kindness of the land-owners immediately adjoining the beach, the children are allowed to pass to and from "Sandy Shore". Dressing tents for both boys and girls have been purchased and put up.

The trees and hedges have been trimmed and the leveling and grading which has been done has added much to the appearance of the Park and has also made possible the new skating rink. Electric lights and seats have been placed at each corner of the rink so that it is used quite as much at night as in the day-time. An especially fine ski-jump has been erected at one corner of the playground where it will not interfere with the summer activities.

The commission appreciates the interest and cooperation of the Mayor and Council shown by their generous appropriation and trusts that as the attendance grows at the playgrounds throughout the city, sufficient funds may be available to secure the proper equipment and instruction for the leisure hours of the future citizens of our city.

The commission also wish to express their thanks to all departments of the City Government, the Playground Associations and the local citizens for their interest and help in making the season 1925 a successful one for our several playgrounds.

Respectfully submitted,

ALFRED C. WYATT,

RUTH H. SMITH

DAISY J. WHITNEY

C. E. ROWE

W. E. DUNLAP

BOARD OF HEALTH

*To the Honorable Mayor and City Council of the
City of Laconia:*

We hereby submit our annual report for the year 1925:

COMMUNICABLE DISEASES

Scarlet Fever	138 cases
Diphtheria	2 cases
Typhoid Fever	2 cases
Measles	17 cases
Houses fumigated	87
Animals buried	9
Complaints investigated	41
Nuisances abated	22
Connections with the sewer	101
General milk inspections	4
Special milk inspections	10
Total number of births	284
Total number of deaths	239

This city had a real epidemic of scarlet fever that commenced in October, 1924, and was not under control until April, 1925. Eighty-one cases in 1924, one hundred and thirty-eight in 1925, and many more not reported, as the disease was in its mild form with few exceptions, families not wishing to be quarantined, and not calling a doctor, concealed their children, who were out in public places while they could transmit the disease, thus making it hard for everyone concerned.

A casual survey of the methods of handling our city milk supply made at various times this year, indicated the need for a more careful study and control, and this board has under preparation rules and regulations governing the same, which we hope the incoming Mayor and City Council will approve.

One of the biggest problems of any city is the disposal of its waste. The dumping privilege the city procured on Prospect Hill Road, in 1923 seems to have worked out quite satisfactorily. But the Street Department dump on Lake Opechee is constantly being complained of.

This board feels that a common dump located somewhere convenient to both Street Department and public, supervised and cared for properly, should be considered in the near future.

One thousand five hundred dollars was appropriated for repairs on our quarantine hospital in 1924, after considering the proposition the money was never used, as the buildings could not be put into shape to take care of cimmuncicable diseases for twice the appropriation. The building was bought during our small pox epidemic and more than paid for itself that year. This board recommends the City to sell this property as the buildings will need at least \$1,000 repairs, if they are to be kept from falling down.

By recommendation of the City Council six beds with furnishings were given this fall to the Salvation Army. There is quite a lot of truck left, beds, bedding, bureaus, stoves, lamps, etc. that should be gotten rid of.

There is a lot of grade left on the vacant lot of the quarantine hospital property, which the city can use, with this exception we feel that the City should dispose of this property.

PUBLIC HEALTH NURSE REPORT

Number of visits made during the year	1,337
Medical	489
Surgical	209
Maternity	76
Prenatal	29
Post Natae	45
Home visits (Instructive)	489
Receipt for city cases	\$189.20

Katherine G. Roche resigned as public health nurse last October and Miss Regis H. Leavitt of 63 Summer Street, this city was appointed to fill Miss Roche's position, and is giving good service and satisfaction.

REPORT OF NEW HAMPSHIRE TUBERCULOSIS ASSOCIATION
FOR 1925

No. of clinics held	22
No. of persons examined	476
No. of children examined	304

REPORT OF CITY SOLICITOR

February 15, 1926.

To the Honorable Mayor and City Council:

I hereby submit my report to date as city solicitor. Many civil matters of importance have been submitted to me as solicitor of the city, to all of which I have given my best attention.

Eight civil cases were pending in the superior court of our county when I assumed office, three of which have been disposed of. No legal action has been brought against the city since that time.

The progress and disposition of cases in which the city is interested are public matters, concerning which every citizen has the right to be informed, and I shall be pleased to give any citizen at any time any information I can with reference thereto.

Respectfully submitted,

THOMAS P. CHENEY,

City Solicitor.

MUNICIPAL COURT

REPORT OF CLERK

To the Honorable Mayor and City Council:

Gentlemen: I herewith submit my eleventh annual report as Clerk of the Municipal Court of Laconia.

The criminal cases brought before the Court and the disposal of the same are shown in detail by the report of the Chief of Police. The cash receipts of the Court and the disposition of same summarize as follows:

Paid Treasurer as per vouchers	\$26,062.72

Respecfully submitted,

EARL FLANDERS,

Registrar.

LACONIA HOSPITAL

TRUSTEES' REPORT

The annual meeting was held January 18, 1926. The statements presented by the Treasurer Edgar B. Prescott and the Superintendent Lillian G. Williams have been published in our local papers, so that all might obtain an idea of the work being done and of the financial condition of the hospital and its needs. Money is very much needed at this time to meet its current obligations so that it may be able to maintain the high standard it has attained. An increase in its endowment fund will no doubt come in due time, but its present financial embarrassment must be relieved. Plans have been outlined, and it is confidently expected that the friends of the hospital—and everybody is a friend—will, when the opportunity is presented, contribute the necessary amount for its proper maintenance.

CHARLES G. ST. CLAIR, *President*

EDGAR B. PRESCOTT, *Treasurer*

WILLIAM F. KNIGHT, *Secretary*

AUDITOR'S REPORT

Laconia, N. H., March 2, 1926

To the Honorable Mayor and City Council of Laconia:

I have examined the books and accounts of the City Clerk, City Treasurer, Board of Public Works, Collector of Taxes, Treasurer of the Public Library, and Trustees of Trust Funds, and find them correctly cast and properly vouched.

I desire to express my appreciation for all courtesies shown me and the ready assistance on the part of all your officials.

Respectfully submitted,

N. JOY HARRIMAN,

City Auditor.

SUMMARY OF VITAL STATISTICS

Number of births	284
Number of births not previously recorded	14
Number of marriages	113
Number of deaths	233
Number of deaths occurring at Belknap County Farm	6
Number of bodies brought here for burial	44

By Chapter 106, N. H. Laws of 1917, the Clerks of Cities and Towns are required to send a copy of every child's birth certificate to its parents, and if said copy is not received within sixty days from date of the child's birth, the parents should notify the City Clerk, in order that same may be placed on record.

Efforts have been made to make the records of vital statistics correct as possible. Should any error or omission be detected, the City Clerk will appreciate the kindness conferred by being informed of the same, that the records of the city may be made right.

EARL FLANDERS,
City Clerk.
